

# Health and Safety Policy Statement

dg8 are committed to providing and maintaining a safe and healthy working environment for our employees and ensuring the safety of others affected by our services/actions.

dg8 pursue this commitment by:

- Providing appropriate training, information and supervision to ensure that personal responsibilities are discharged in a safe, reliable and competent manner;
- Providing adequate funding and resource that contribute towards a safe and healthy working environment;
- Complying with occupational health and safety legislation and, as appropriate, other codes of practice, standards or requirements as may be specified by our clients;
- Implementing arrangements for managing emergency situations, accidents, ill-health and first aid;
- Promoting a vibrant safety culture through effective two-way communication and participation;
- Continually monitoring and improving the effectiveness of the management system through measurable health and safety objectives, which will be evaluated during management reviews to ultimately improve overall health and safety performance;
- Proactively working with the industry to improve health and safety.

We look to our employees' support and professionalism in making this policy truly effective on behalf of dg8.
